Oldtimers Honored

F.U.A. Jubilee Party Held At Arrowwood

Farmers and their wives, juniors and their sweethearts, and a few less fortunate bachelors gathered at the Arrowwood Community hall on Monday evening, Nov. 7th to celebrate with the Senior citizens, at a banquet and social evening.

One hundred and eighty places were counted at the tables. Mrs. Leigh Williams presided at the head table where sat the Senior citizens.

William Steiner toasted the senior citizens in a manner quite witty. Mrs. H. Ernst replied in her own gracious way. She came to Alberta and settled at Brant while the Northwest Territories still claimed our province. She described very graphically the disastrous prairie fire of 1904. Her interesting remarks recalled many instances of hardships, lively dances and good neighborly relations. That good neighborliness is still quite evident in our community. Bob Williams toasted the ladies and gave a good account of the Buffalo Hills UFWA which name was later changed to the Arrowwood Local. They have carried on continuously since 1921. His wife was the only charter member present. Mrs. Kemper replied as she joined the Arrowwood local in its first year. In good repartee she toasted the men with a clever rhyme.

Mrs. Mervin Norton asked the assembly to rise and observe one minute's silence in memory of Mrs. Frank Hall, also Mrs. John Culp, both members of the F.W.U.A. for many years.

Mrs. Forest House, newly elected director of District 12, F.W.U.A., traced the history of the Farm Women's Movement. She has worked continuously in the Farmers' Movement since coming to Arrowwood 25 years ago. She stressed the importance of a full slate of delegates from our district to the annual convention.

Bruce Gateman, who will represent the 4-H Club at the Toronto Royal Fair, was warmly applauded.

M. H. Ward spoke of the founding of the Organized Farmers of fifty years ago. All through the early years farmers were beset with problems of marketing their products and the same problem is a very serious one today. Only by a well organized farm union will they get a fair share of the nation's wealth.

A humorous reading "My Great Aunt Goes for a Plane Ride" was given by Ralph Oberholtzer in his own inimitable style.

The jubilee hymn was sung by a quartette consisting of Mr. and Mrs. D. Richards, Mrs. H. Brown, and M. Norton, with Mrs. Fred Brown at the piano. Community singing with Mrs. Hayes at the piano was enjoyed by all.

Mrs. Pinkerton paid tribute to Mr. and Mrs. A. N. Thorsen, both keenly alert and active in the Farm Movement.

The evening concluded with Auld Lang Syne.

W.S.W.S. Meets

The November meeting of the W.S.W.S. was held at the home of Mrs. Alex Hiltz on Monday evening, Nov. 7, with Mrs. Albert Schierman in charge of devotions.

A study on the North American Indians was continued from last month. The Indian versions of the Lord's Prayer, a Christmas carol and the Twenty-third Psalm were read by different ladies.

A duet by Jean Hiltz and Betty Kaiser and a Bible quiz were presented.

The business meeting was conducted by Mrs. Ruby Schierman with 15 members and six visitors present. It was reported that drape material for the parsonage had been purchased and preparations are being made for the ladies to make up the drapes.

Ten dollars was voted to be sent to Mr. and Mrs. Friebe in the Hills, missionaries to India.

It was decided that the Ladies Aid would buy the light fixtures for the parsonage.

The next meeting will be held at the home of Mrs. Walter Becker. A delicious lunch was served by the hostess.

Champion Man Found Unconscious

Nils Lutro, a resident of Champion, was found unconscious Tuesday morning in his small house at Champion, apparently the victim of gas fumes.

He was rushed to the Carmangay hospital and his uncle, Andrew Sokvitne of Carmangay, drove to Lethbridge to obtain blood for transfusions. At the time of writing he was reported to be still unconscious.

More Members Wanted by FUA

A special F.U.A. meeting was held in Vulcan in the Legion hall with Mrs. J. S. Smith (Sub-Director of District 5), Mrs. House (F.W.U.A. Director of District 12), Archie Hogg (Legislature member), Arnold Platt (Director of District 4), Jim Derrick (A.R. Director, District 12) and two Wheat Pool members, Mr. Bell and Mr. Gibson, in attendance.

Jim Derrick emphasized that the membership should work extremely hard on the drive for new members.

Arnold Platt has accepted nomination for F.U.A. president. He said that he feels the wheat situation is a long term one, not to be surmounted easily or soon.

He stated, "People must realize that if the farmers are broke every one else will be broke."

Mr. Platt felt that "we should buy our products where we can sell our wheat." It is just as important to have wheat to feed our allies as bullets to protect them, he said. Other points covered by the speaker were the importance of soil conservation and the necessity of providing more on-track storage. He also stressed the need for increased membership in the F.U.A.

Ken Wright President

New Officers Named For Senior Hockey Club

The Vulcan Senior Hockey Club re-organization meeting was held Monday night of this week with about 25 present in the Legion rotunda.

Ken Wright was elected president and Slim Adair vice-president, with Stuart Manning returned by acclamation for his sixth year as secretary-treasurer. A board of directors was elected to handle the affairs of the club including the appointing of a coach and manager. Directors are Wally Franks, Harold Boutland and Glen Gorbous. Ken Loucks has been appointed manager and a coach is still to be named. Don Larkins was again appointed publicity director for the club.

All indications point to a much stronger club this year but the big line of Harold Boutland, Pat Walker and Philadelphia Phillies Glen Gorbous will again be counted on to score goals. Return of Benny Dann to the blue line brigade along with Jim Pruden will strengthen the defence immeasurably. There will be a battle for the goal-tending position, with three aspirants for the job.

Along with the veterans of the club there are three or four newcomers to this year's squad, including president Ken Wright, which leads to the belief that this year's edition of the Vulcan Legionaires should finish near the top of the heap in the Foothills Hockey League.

Bridal Shower For Alice Bohr

Honoring Miss Alice Bohr, bride-elect of this month, a miscellaneous shower was held at the home of Mrs. D. Schierman last Saturday afternoon. Some 20 friends of the guest of honor were present and enjoyed games and contests arranged by the hostess.

Later a "hold-up" of a mock bank disclosed the "loot" to be lovely and useful gifts for the new home of the bride-to-be and the groom-elect, Gilbert Budd. Assisting Miss Bohr in opening the gaily wrapped parcels was Mrs. Charlie Budd. Alice later very graciously thanked her friends for their kind wishes and the lovely gifts.

A delicious lunch was served by Mrs. Schierman assisted by the joint hostesses, Mrs. Norman Lebsack and Mrs. Albert Schierman.

THE WEATHER

A record-breaking cold wave for this time of the year held sway over the weekend, with a gradual climb to nearer-normal temperatures promised for the latter part of this week.

Recorded low in Vulcan on two successive nights was 23 below zero. The cold weather was accompanied by light snow.

Germany has replaced Canada as the second biggest trader with Mexico where buyers want bargains which, in many cases, Canada's high-wages high taxes policy, make impossible.

Hansell is Speaker

War Dead Honored At Remembrance Service

Over 200 town and district residents braved below-zero weather on Nov. 11 to attend the annual Remembrance Day Service, held in the morning at the Vulcan Theatre. The service was sponsored by the Vulcan Branch of the Canadian Legion.

Rev. J. S. Clarke of the United Church was in charge of the service and was assisted by Rev. J. C. E. Reuss, minister of the Anglican Church and chaplain of the local branch of the Legion, and Rev. P. A. Wildeman of Grace Evangelical United Brethren Church. The memorial address was given by Mr. E. G. Hansell, M.P.

Prior to the service, members of the Legion, the Calgary Highlanders, the Vulcan Army Cadet Corps, Wolf Cubs, Scouts, Girl Guides and Brownies formed up in front of the Legion Hall and marched to the theatre. Parade marshal was Major R. C. R. Munro.

On the stage of the theatre, flags and poppy wreaths formed an appropriate setting. The singing was led by members of the Vulcan Choral Society and Mrs. W. W. Almond was accompanist.

The call to worship was given by Rev. Clarke and was followed by the singing of the hymn "O God of Bethel" and of "God Save the Queen." The scripture reading was from Psalm 46, Eccl. 54. The hymn "O Valiant Hearts" was followed by greetings from the town, brought by M. R. Morrison, deputy-mayor, in the absence due to illness of Mayor W. D. Allan.

The Legion Ceremony of Light was led by the chaplain, Rev. J. C. E. Reuss, and was followed by Stainer's "God So Loved the World," rendered by the Choral Society.

In his address, E. G. Hansell asked the audience to remember that men died in wars for a reason, for a purpose. If we forget the purpose for which they died, he said, we break faith with them. We only live in freedom today because we had men willing to die in maintaining this freedom.

The problem today, said the speaker, is "will free democracies survive or will international dictatorships take over?" There are two forces at work in the world today, he said, the forces of righteousness and the forces of evil. A nation can not be happy and contented unless it moves in righteousness under God's hand. Our men who have died in the past three wars were willing to give their lives to maintain this way of life—we must never forget them.

Following Mr. Hansell's address, memorial prayers were given by Rev. P. A. Wildeman, followed by the hymn "Abide With Me" and the benediction.

Due to the extremely cold weather, the outdoor wreath-laying service at the Memorial Stone was not carried out at the conclusion of the indoor service. As soon as the weather moderates the wreath-laying ceremony will be conducted at the Memorial Stone by the Canadian Legion.

Church Director Is Guest Speaker

W. E. Kuester of Calgary, newly elected director of welfare activities for the Adventist churches of Alberta, was the guest speaker at the local Seventh-day Adventist service on Saturday. This was Mr. Kuester's first visit to Vulcan since his recent appointment to this phase of the church's activities.

Rev. Kuester, who recently came to Alberta from a pastorate in Windsor, Ont., has served for a number of years as a missionary in South America and various islands of the Caribbean, including Santo Domingo, Cuba, Haiti, and Puerto Rico, where he gained first hand knowledge of the humanitarian needs of these and other countries.

With Fraser Cameron, local resident of Vulcan, as chairman of the service the speaker brought to his audience some of the mission experiences he encountered in foreign service. Both he and Mrs. Kuester appeared in the native costumes worn by the Guarjira Indians of South America and the men of the Andes. Articles of native craftsmanship of these countries were shown, and means proposed of carrying on a more active home missionary work.

"It is our purpose as a church,"

Reid Hill W.I. Elects Officers

Election of officers for the coming year featured the November meeting of the Reid Hill W.I., held at the home of Mrs. Ross Walker, Thursday, Nov. 10, with 13 members and two visitors present.

Mrs. Eva Bowie, the president, conducted the meeting which was opened with the usual ritual and roll call was answered with "Thanksgiving when I was a child," which recalled many happy memories.

Correspondence was light. A \$5 donation was made to the CNIB.

A discussion regarding catering to the Elks "At Home" and 30th anniversary dinner on December 5th, was held and committees named. In the event the branch was given the opportunity to serve the banquet.

Mrs. Jack Marshall was then named acting chairman, and she declared the meeting open for nominations to choose a slate of officers, with the following results: Mrs. Eva Bowie was re-elected president by acclamation. Mrs. Clifford Love was elected vice-president; Mrs. John French and Mrs. J. C. MacMillan were re-elected secretary and treasurer respectively, by acclamation. Directors named were Mrs. Earl Deal, Mrs. Agnes McKay, Mrs. Ross Walker, Mrs. L. Kuykendall and Mrs. Percy Myers.

Presentations were made to the retiring officers and Mrs. Roy Adam whose birthday occurs this month was the recipient of a birthday remembrance, kindly made by Mrs. Harold. The tea draw was won by Mrs. Weatherburn.

Mrs. Marshall gave a short reading appropriate to Remembrance Day, which was much enjoyed. A delicious lunch was served by the hostess.

The next meeting will be held at the home of Mrs. Sales, when a Yuletide program will be presented and a Christmas Pie will be a feature of the afternoon. There will also be a parade of the hats of the month at this meeting.

stated Mr. Kuester, "to be prepared spiritually to encourage others and also to be prepared physically through our church welfare societies to give assistance whenever a need arises, whether in the local community or in more distant localities."

BRANT

Home and School Association

The regular meeting of the Brant Home and School Association was held on Wednesday, Nov. 2nd, with approximately 25 members present.

The president, Mrs. Wm. Knapp, conducted the business part of the meeting. Buzz sessions were formed for the purpose of deciding which one of six projects would be carried out this year. A final decision was left until next meeting so the Association could gather more information on some of them. A committee consisting of Mrs. O. Jorstad, Mrs. D. Irwin, Mrs. M. McKay and Mr. Davies was formed to plan a Christmas concert. The offer of the Red Cross to buy and decorate a tree was gratefully accepted.

Mrs. Jack Hunter and Mrs. Ross Kennedy gave very interesting reports on their recent trip to the Banff Workshop. Leonard Smith gave a short talk on school fairs and asked if the parents were in favor of one in this district. Members were asked to think about this and have an answer ready for next meeting. Following this Mrs. P. Gallagher introduced Miss Marshall of Calgary who provided the program. She showed a film on the angry boy which she held a discussion on the human behaviour in relation to the problems of the picture. Lunch was served in the Home Economics room by Mrs. Clark Fletcher, Mrs. Cliff Fletcher, Mrs. Benny Ball and Mrs. Mickey McKay.

Farewell Party Held

A farewell party was held Friday evening in the Brant Community hall to honor Mr. and Mrs. Dave Baskin and family. Dave has been the Brant Station Agent for the past 4 years, and left the previous Friday to make their new home in Okotoks, where Dave will be C.P.R. Operator.

This fine young couple are going to be greatly missed by their many friends they have made in the community.

Dave has been Sec.-Treasurer of the curling rink for the past 3 years and also Sec.-Treasurer on the Board of the United Church.

Mrs. Baskin was Sec.-Treasurer of the Ladies Curling Club for the past two years.

A lovely evening was enjoyed by several contests. A solo "Because of You," by Mrs. Gordon Thompson, accompanied on piano by Mrs. G. Ferguson; A tap dance by Allana Thompson; and two piano solos by Blaine Knapp and Twila Parker.

Following the entertainment, a presentation was made by Bill Burley on behalf of the community of a blonde mahogany corner table. Dave Baskin very suitably thanked them for the lovely evening and gifts.

Mrs. Gordon Thompson then sang "Now is the hour," with every one joining in the chorus. A lovely lunch was then served. Those in charge of the evening were Mrs. Alf Lawson, Mrs. Wm Knapp, Mrs. R. D. McDonald, Mrs. Brant Parker, and Mrs. O. Jorstad.

Ladies Aid

The Annual Ladies Aid Bazaar, Home cooking and Tea was held in the Church hall Tuesday afternoon, Nov. 8. A very nice representation from High River, Herronton, Ensign and Brant, and Rev. and Mrs. McKelvie from Cayley were present.

The six tea tables were suitably decorated in gold and green streamers following the theme of 50 year Jubilee with a three tier 50-year Jubilee cake (donated by Mrs. Ross Kennedy), centering the coffee table mounted on the golden heads of newly harvested wheat heads.

The overall conveners were; Mrs. Alf Lawson, Mrs. Olsen, Mrs. M. McKay, assisted by committees of the various sales tables. The popular bake sale-table was capably handled by Mrs. Jack Thompson and Mrs. Stacey Graham.

The sewing table consisting of many aprons of various styles, crochet doilies, with a few cuddle toys, which would delight the heart of many a little boy or girl was efficiently handled by Mrs. Fred Payce and Mrs. Henry Bateman.

The stack of Grab Boxes on the Grab Box Table, which disappeared like magic, with everyone trying their luck. Mrs. B. Prater was in charge of this table.

The ladies waiting on two tables were Mrs. B. Parker, Mrs. Elsie Green, Mrs. Frank Sellars, Mrs. Wm. Knapp, Mrs. W. Smith and Mrs. Steve Dixon, with Mrs. Don McDonald serving the coffee table for men. But our men, what happened to them? Just three men were there, but they were well taken of. Maybe more will appear next year, we hope.

Mrs. Ed McKee assisted in the kitchen. The cashier at the door was Mrs. Ed Pearson.

Th Ladies Aid would like to

thank all those who participated in making the Annual Bazaar a great success.

Red Cross Meeting

The Red Cross met in the curling rink on Wednesday afternoon, Nov. 9, with 21 members present.

First of all, before the meeting, one of the market baskets arrived home to the president, Mrs. B. Christoffersen, laden with a luscious pie, and homemade buns delivered by Mrs. Ralph Smith. And the other basket should arrive at its destination by now to Mrs. Stacey Graham, who also started the basket on its round. These baskets not only carry something nice to eat but a can containing donations of money which is used to enlarge our disappearing bank account.

It was suggested and carried that the Red Cross meet in the church hall every second Thursday. The Christmas party will be held Dec. 8, second Thursday, in the afternoon, with each member exchanging gifts valued at \$1.00.

The Christmas tree for the Home and School concert will be supplied by the Red Cross.

Work convener Mrs. M. McKay, reported receiving two pairs of socks and one quilt.

Sick convener Mrs. B. Prater reported sending four sympathy cards and three get-well cards.

As this was the annual meeting, election of officers proceeded with Ed Pearson as chairman. Mrs. L. Christoffersen, re-elected president; Mrs. D. Schultz, vice-pres.; Mrs. G. Ferguson, 2nd vice-pres.; Mrs. Floyd Olsen, Secretary; Mrs. Frank Fletcher, Treasurer; Mrs. B. Prater, disaster and relief; Sick convener, Mrs. G. Ferguson. Work convener, Mrs. Ralph Smith. Some farmers in the picturesque, low-lying Suffolk Broads district of England bring in the hay by water. So it was logical for a British boat builder to use lightweight aluminum to produce a 650-pound punt capable of carrying a load of hay more than six times its own weight.

In Canada aluminum is better known among farmers as a non-rusting, heat-reflecting, easily handled material for barns and roofs and silos, though of course it has many other farm uses, from milk cans to windmill blades. No hay-boats, though.
